THE LEGEND BEHIND DIPLOMÁTICO

Legend has it that Don Juancho was a famous Venezuelan Mantuano (nobleman) who lived at the end of the 19th century and explored the world in search of the finest spirits. His passion inspired the creation of Diplomático. And he's truly earned his place as the face of our label and the heart of our brand.

Think a century ahead

Each decanter is the life achievement of generations of cellar masters.

Since its origins in 1874, each generation of cellar master selects from our cellars the oldest and most precious eaux-de-vie for LOUIS XIII.

Today, Cellar Master Baptiste Loiseau is setting aside our finest eaux-de-vie, as a legacy to his successors for the coming century.

LOUIS XIII is an exquisite blend of up to 1,200 eaux-de-vie sourced 100% from Grande Champagne, the first cru of the Cognac region.

LOUIS XIII is a fragrance.
The fragrance of Time.
